6. World Heritage Advisory Board lead

Nick Tobin stepping down. Jeremy Boss and Caroline Kilner both expressed an interest to take on this role.

Action: Both to meet with the Chair to discuss the role. Appointment to be agreed and confirmed at next Committee meeting.

7. Closing comments from new Chair

- a. Gratitude expressed to all Resident Groups and attendees who work hard as volunteers across the city to build their community and ensure their voices are heard within the Council
- b. We plan to review the Web site and refresh , friendly and approachable and useful with a map showing the areas we represent.
- c. FoBRA is a Federation which exists to serve its members and the Executive will work hard to ensure that it best represents member Resident Groups in a constructive way. We must demonstrate clearly our worth.
- d. This should entail informing members of city wide issues potentially impacting on their area, preparing and sharing detailed consultation responses for our members to benefit from more detailed expertise, and to be proactive in building relationships with Councillors and Officers to ensure resident interests carry as much weight in decision making across the city given the weight of influence corporate stakeholders can exert.
- e. To do this we must remain impartial and will work respectfully across all political groups
